

is still a problem. This is still an issue, wasteful spending, whether it is in the billions or whether it is in the thousands, is wasteful spending. And at the end of the day, we need to understand, the American people are counting on us to make hard decisions, and there are lots and lots of hard decisions. But currently as a body, we are not even discussing \$30 trillion in debt. So I bring it to us again: We have \$30 trillion in debt. Let's start working on this.

I yield the floor.

NOMINATION OF SHERILYN PEACE GARNETT

Mr. DURBIN. Madam President, today the Senate will vote on the nomination of Judge Sherilyn Peace Garnett to serve as a U.S. district court judge for the Central District of California.

Judge Garnett is an experienced jurist and a long-time public servant who will make an outstanding addition to the bench. During her 13 years as an assistant U.S. Attorney, she prosecuted hundreds of matters, including criminal street gang offenses, child exploitation, and threats made against government officials. In recognition of her accomplishments as a prosecutor, Judge Garnett received a number of awards from the U.S. Attorney's Office for the Central District of California, the Federal Bureau of Investigation, U.S. Immigration and Customs Enforcement, and the U.S. Postal Service.

Since 2014, Judge Garnett has served as a Los Angeles Superior Court judge, presiding over misdemeanor and felony proceedings. In 2016, she also served as an appellate State court judge, presiding over criminal, civil, and family law cases.

The American Bar Association has unanimously rated Judge Garnett as "well qualified" to be a district court judge. She also has the strong support of her home State Senators, Mrs. FEINSTEIN and Mr. PADILLA.

I urge my colleagues to join me in supporting Judge Garnett's nomination.

LEGISLATIVE SESSION

MORNING BUSINESS

Mrs. MURRAY. Mr. President, I ask unanimous consent that the Senate proceed to legislative session for a period of morning business, with Senators permitted to speak therein for up to 10 minutes each.

The Senator from Florida.

PROVIDING FOR CONGRESSIONAL DISAPPROVAL UNDER CHAPTER 8 OF TITLE 5, UNITED STATES CODE, OF THE RULE SUBMITTED BY THE DEPARTMENT OF HEALTH AND HUMAN SERVICES RELATING TO "ENSURING ACCESS TO EQUITABLE, AFFORDABLE, CLIENT-CENTERED, QUALITY FAMILY PLANNING SERVICES"—MOTION TO PROCEED

Mr. RUBIO. Mr. President, for too long, Americans' taxpayer dollars have been used as a backdoor way to help promote abortion as a family planning service. President Trump put a stop to this. Back in 2019, he barred the Federal Government from providing these funds, the funds through the title X Family Planning Program, from going to entities that refer or provide abortions, organizations such as the big business that is known as Planned Parenthood.

Now, understand, it didn't reduce title X funding. It didn't cut one penny of it. Instead, it directed it to organizations that do not perform and do not promote the taking of innocent life.

Last year, unfortunately, the Biden administration, as was to be expected, pulled the plug on this vital protection, and now we see taxpayer money flowing once again to these abortion providers and to their referrers. This has to stop, and that is why I have worked with Representative TONY GONZALES in the House to introduce the Congressional Review Act of title X to ensure that not one more taxpayer dollar is used to fund the abortion industry.

By reversing this administration's ruling, abortion clinics will once again be excluded from receiving this taxpayer money, and it would put more money toward improving and saving lives instead of ending them.

The PRESIDING OFFICER. The Senator from Washington.

Mrs. MURRAY. Mr. President, I want to be really clear about what this vote is actually about. This vote is about birth control. This is about lifesaving pelvic and breast exams to detect cancer early, and it is about STI testing and treatments. That is the basic reproductive healthcare that title X providers deliver to communities—especially to women with the tightest budgets.

Republicans are here tonight fighting to undermine healthcare. It is really that simple. And we are here fighting to protect it.

I fought long and hard against President Trump's disastrous gag rule. It was a rule that cut title X provider networks in half. It forced entire States, including my home State of Washington, out of the Title X Program. It forced doctors and nurses to withhold information from their patients on all the options they have, including abortion, and ultimately resulted in patients traveling farther, paying more, or going without care. In short, it made it harder for women to
